## About This Game

Ruthless tank fights, explosions, sudden clashes with the enemy, which will require from you a lightning-fast reaction and quick, effective actions.

### Features:

- Variety of locations
- Abundance of enemies
- Breathtaking Battles

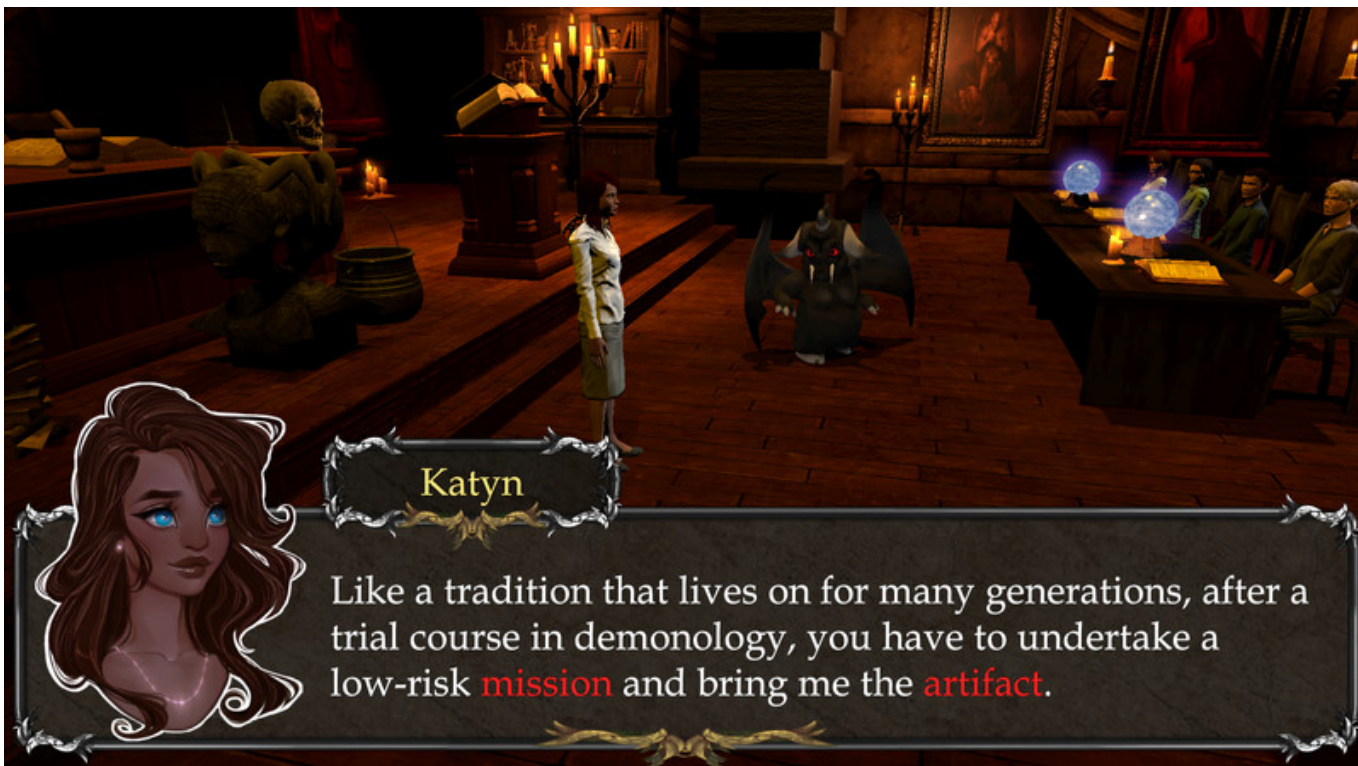

You control a combat vehicle on which you have to destroy all enemies caught in your zone of defeat. A string of enemies that attack suddenly both from the ground and from the air will not let you get bored. Therefore, be very careful because it's easy to catch the projectile aiming to you, as well as to drive on one of the mines cunningly arranged by your enemy.
